

Turkey Trot Handout Flyer

Visit Our Turkey Trot Web Page at
www.olindaschool.com

On Friday November 20th, Olinda Elementary School will have its' annual Turkey Trot. Turkey Trot is a delightful event designed to encourage fitness, raise funds for important school programs, and let the kids and staff have a whole lot of fun. Our students will be "trotting" around our running track in an effort to raise money for PTA Sponsored enrichment programs including international languages, art, music, tutoring assistance, science, engineering for kids (which uses Legos to teach engineering concepts), and assemblies. Turkey trot funds are also used for direct classroom support such as helping teachers obtain supplies and assistance with the expenses of field trips and many other classroom activities.

Fundraising Effort for Olinda School

Turkey Trot is one of our most important fund raising events of the year. Donations are made in the form of direct contributions of \$10, \$20 or whatever other amount you may want to contribute. Each Olinda student has a fundraising goal as well as a "number of laps to run" goal. And we have a student incentive program as well allowing students to earn rewards if they meet fundraising targets. Turkey Trot funds are used for a variety of Olinda PTA enrichment programs that help make our "hidden gem" sparkle.

Date of the event: November 20th

Kindergarteners, 9:00-9:50

1st – 3rd graders, 10:00-10:50

4th – 6th graders, 11:00-11:50

If you would like to contribute, a direct donation of cash or a check would be greatly appreciated. Checks should be made payable to **Olinda PTA**.

Thank you in advance for helping support Olinda Elementary School.
